Chiefs,

We have received a request from ERO for assistance in the reunification effort for UAC and parents that were previously separated. As you know, the US Government has been ordered to reunite all UAC with parents by 26 July 2018. ERO and HHS have developed a plan to reunite at FRCs. In order to do so, ERO must create space within the FRCs. ERO is in the process of repatriating as many FMUAs as possible to make space. Additionally, ERO has made a request for all USBP SWB sectors to transfer all FMUAs from 12 July until 26 July 2018. These cases will be TOT to ERO for further disposition.

Please ensure dissemination to the appropriate level for execution.

If you have any questions, please let me know.

VR

Acting Chief
Law Enforcement Operations Directorate
U.S. Border Patrol Headquarters
